IMPORTANT

- If **You** receive a reduced **Total Loss** payment under the **Comprehensive Motor Insurance** policy for any reason, for example in relation to any damage not associated with the incident giving rise to the claim, **We** will use the greater of the **Market Value** or the settlement amount offered by the motor insurer, to calculate the benefit **We** will pay.
- If **You** receive payment under **Your Comprehensive Motor Insurance** that is less than the **Market Value** because the **Insured Vehicle** is covered for a fixed sum (commonly known as an agreed value policy), then **We** will use the **Market Value** to calculate the benefit **We** will pay.

If there is any sum still owing on **Your Finance Agreement** after **We** have settled **Your** claim it is **Your** responsibility to ensure that settlement of this amount is made.
