What are my obligations?

You must activate the policy by attaching the key fob supplied by Keycare to your keys immediately on receipt of the fob.

You are obliged to comply with all the terms and conditions of the policy which are detailed in the Policy Booklet.

You must ensure any information you provide in relation to this policy is up-to-date and accurate.

To have a valid claim under the policy there are certain procedures you must follow when you submit a claim, and these are detailed in the Policy Booklet.

You must pay the agreed premium when it is due.

When and how do I pay?

The Keycare policy is sold as an add-on to your main insurance policy so you will pay for it along with your main policy. Details of the payment options will be provided by ALA in the product information document for your main policy.

When does the cover start and end?

The standard length of the contract is normally 12 months from the date on which the cover starts which will be shown in your Policy Schedule. Any variations to this will be detailed in your Policy Schedule.

How do I cancel the contract?

You can cancel the policy at any time. If you cancel within 14 days of either receiving the policy documentation or from the start date of the policy (whichever is later) then any premium already paid will be returned (providing that no claims have been made on the policy). If you cancel outside this period there is no entitlement to a refund of premium. Please contact ALA to cancel your policy.
